Family Updates!

Jessie is doing fine. She is currently resting at home before the baby arrives. She is working hard on the nursery and getting the house ready for the pitter patter of little feet. Hopefully we will have an update before the next meeting.

Please keep the Garner's in your thoughts and prayers. For those of you who were not aware their oldest boy Forrest has been in & out of the hospital recently. At the time of this newsletter he was back home recovering.

The Iles' have a new addition as well. A brand spanking new Platinum Charger. What a welcome addition. Congrats.
