Vice President's Corner:

Now that the car show and cruise-in season is underway, our weekends will start getting cluttered with activities. With many weekends having multiple car-shows or cruise-ins, and very few weekends with nothing at all, the decisions on where to go and what to do can be a little overwhelming. Jeanette, Peggie and I have decided that at each monthly meeting, we want the club to pick an event for the next month that we will treat as our main event and then during the month, if a member comes up with an idea for a spontaneous get-together, we will fit that in as well. For April, the primary event(s) will be MOPARs invade Mo-Kan on April 11th, and the Goshen Crawfish Boil and Show-n-Shine on April 25th.

Member Rides:

If you are interested in having your car featured in the newsletter and on the web-site, please download the questionnaire from the site, complete it and e-mail it with pictures of your car (preferably, at least one exterior, one interior and one engine bay). Submissions will be treated on a first come, first serve basis.
