August 2008 Newsletter

As of the June 28th meeting, It was voted and passed that we discontinue membership dues as of July 1st, 2008. The reasoning was to attract more members and help with members out of pocket expenses. It was decided that we would pre-pay to order member shirts in the future. We currently have the funds to order new member shirts. A design has to be created and voted on at the next meeting. We will re-evaluate the clubs financial obligations as needed.

The annual car club picnic was a success. We all survived the heat. (well... if melted counts as surviving) Everyone enjoyed visiting with other members and friends. "Thanks" to Dan and Joel for setting up a great location. I want to personally "Thank" our friends in the Modern Mopar Muscle of the Ozarks for joining us. It was a pleasure and I hope that we can do more events together. "Thank You" to Andy and Sara for taking pictures of all our cars together. Check out the following link to view the pictures.

ALSO... I hope that Larry and Mona get their Dodge Dart back on the road.

The elections..... didn't do as well. We didn't have anyone want to run for any office. We still need someone to take the Event Coordinator, Secretary and Treasurer position. Tami and Will stepped down for personal reasons, but will still be apart of the club. Jeanette Puryear was re-instated as Vice President and I am still here too. You all know that I had a baby this year, so planning and actuating events are not easy. I have to have some assistance. Please think about how you can help with the club.

I announced that our club was asked to co-sponsor and plan a charity car show for the NWA Food Bank. They have a lot of contacts and sponsors already lined up for this event. The goal is for this event to be very big and scheduled for next spring. I will need a lot of help with planning and organizing. More details to come.....

We also have the 7th Annual Mopars in the Ozarks Car Show at Lewis Chrysler Dodge coming up October 4th. We need to have a planning committee to get started on details (we are behind schedule). The top things that we need to get rolling are:

- Volunteers for set up and tear down
- Collecting and stuffing goody bags
- Collecting door prizes
- Setting up the food booth
- Volunteers for the food booth
- Volunteers for registration table
- Designing the T-shirts
- Ordering the T-shirts
