THE RIDE OF THE MONTH

Your name & where you are from?

- Tim Clark, Fayetteville, AR

What is the year, make & model of your car?

- 1936 Plymouth Sedan Delivery

When did you get your car & from where?

- Bought it in 2005 from Mike Bach in Nashville, IL. Who is the builder of the car, finished in 2002.

When you bought it was it complete?

- It was mostly finished when I purchased it.

What was under the hood when you bought it?

- 318 crate motor, 727 tranny 8in ford rear end & mustangs II suspension. Frame is all original.

What have you changed about your car?

- Replaced the hood, grill, & running boards by Kenny Davis. Added hand brushed logo by Eric Snodgrass.

Was this your first project car?

- No. This is the second. My first is a 68 camaro. I also have a 23 Tbucket

Why a Mopar?

- I like Mopars, I like all cars. When I was a kid I bought a 63 Plymouth Fury Sport for \$50 bucks. Like to have that one back. 1968 Roadrunner with a 440. Then a 1971 Satellite that was dressed up outside but with only a 318, due to gas crunch in the early 70's

What's the best thing about your car?

- This car is very unique. There are only a handful left. There were only 3161 built with a price tag of \$605 dollars.
