February Ice Edition

Meeting Minutes (1/24/09):

1. In attendance:
 - a. Ed and Peggie Stevenson
 - b. Jeanette Puryear
 - c. Jessica Puryear
 - d. Will and Tami Blalock
 - e. Pete and Connie Isles
 - f. Larry and Mona Gathright
 - g. Jim Kelly
2. The club has agreed to pay the set up for embroidering the club logo and motto on jackets. Each member will have to provide their own jackets and pay the embroidering cost. It was also agreed that each member can choose their own style jacket but the preference would be for all jackets to be blue denim.
3. O' Reilly Auto Parts will be providing the dash plaques for the March Show. The canopy will be set up next to the store this year to cut down on the cross breezes that have plagued us the last couple years. We will need members to assist with providing food during the show. As a change from the burgers and dogs we sell at the October Show, the club has decided to go with chili and frito pies. We would also like to have door prizes to help keep the energy level up, so if you have anything car related that you would like to donate as a door prize, the club would greatly appreciate it.
4. The next club meeting will be at the Catfish Hole on Wedington in Fayetteville.
5. Tami Blalock and Peggie Stevenson agreed to review the club's current status as a 501(c) non-profit organization and report back at the February meeting.
6. There is interest in creating a member directory with a photograph of each member with his/her vehicle and contact information. This will need

to be further defined and will require assigning someone to assist in the creation and maintenance of the directory. No decision was made regarding the directory during the meeting.

Birthdays, Condolences, Congratulants, Get Well Wishes:

Member T-Shirts are available for purchase - \$10 for a single shirt, \$15 for two.
Prior club event shirts are also available - \$6 for a single shirt, \$10 for two.
Contact Jeanette or Will if interested.

Vice President's Corner:

This issue was delayed by the ice storm that shut us all down the last week of January. Tami and I were lucky to only lose electricity twice and for less than eight hours each time, but we know that many others have not been so lucky and I hope that everyone has had their power restored by now. If you know of any club members who still don't have power, please let Jeanette, myself or Peggie know and we will see what we can do for them. We were able to get out on Thursday when everything was still white and were amazed and disheartened by the number of trees destroyed by the storm. In some ways, the destruction reminds me more of a hurricane than anything else, especially given how wide spread the damage was. As the clean up continues, remember to be careful with saws and axes as we want to see everyone at the March show with all extremities intact!
