Feature Member of the Month

Your name & where are you from?

Jim & Ann Kelly – Originally Kansas Retired to Bella Vista in 1996

What are the year, make & model of your car?

'67 Cuda Coupe

When did you get your car & from where?

We bought it the summer of '05 from a fellow in Rogers, Arkansas

When you bought it was it complete?

It's complete, original car, Turquoise Metallic, partially painted once.

What was under the hood when you bought it?

It came with the original Slant 6 and 904 automatic.

What have you changed about your car?

Threw a rod in the Slant 6 currently working on replacing it with a 360 and would like a 5 speed manual.

Is this your first project car?

No, 20 years ago restored a '67 Mustang Convertible. Been piddling around with a frame-off, restoration/modification of a '64 Ford Pickup for nearly 10 years – Chassis/ power train finished, bodywork on-going.

Why Mopar?

Have wanted to own a MOPAR since I was a teenager it finally happened – in the prime of my teen years – Age 62.

Why did you choose that model?

The car was an impulse buy – it was there, for sale, & I loved it.

Why did you choose that color?

Bought it that color

What car would be your dream car to have or to work on?

Either a '67 – '69 Convertible 'Cuda or an early '70's Challenger Convertible.

What's the best thing about your car?

Fun, Wonderful car to drive – Handles much better than I remember from the '60s

What would you change about your car?

*Plan to change the engine- will install a 360, preferably with a manual 4 or 5 speed
Will repair some body damage& paint original color- will recover seats as original*

Is there a funny or sentimental story about your car that you would like to share?

Some might find it humorous – I didn't – Put a new rod inserts in, crusin' north to Joplin with a big grin on my face when rod goes knock, knock, BOOM!! Say goodbye to the Slant 6!!!!
